We would like to hereby invite you for our monthly Lunch & Learn event that is taking place in our US sales and service partner KES Machine LLC.

During such event you can see and test our basket type machine **NOYEN Compact 100** and be trained about technical cleanliness aspect by NOYEN experts.

Upcoming event dates:

26.06.2026

31.07.2026

28.08.2026

Please note that while the Lunch & Learn sessions take place on the dates listed above, our showroom at KES Machine LLC is available year-round. You are welcome to schedule a visit at any time that is convenient for you.
